Library Trustee 1987 - Resigned 1989

ANNIE L. STEVENS
1892-1991
Clerk for Board of Selectmen
For 25 years

DEDICATION OF TOWN REPORT

The Kingston Annual Report is dedicated to Constino "Buddy" Alessio.

The Town of Kingston is pleased to dedicate this Town Report in memory of Buddy Alessio who gave of himself to the Town of Kingston in many "behind the scenes" ways.

Buddy and his wife, Ellie, moved to Kingston in 1971 when they opened the Kingston IGA Foodliner. He hired a lot of young people over the twenty years he was in business in Kingston. Buddy firmly believed in helping young people reach their full potential and demonstrated by his own example that in order to earn a fair day's pay, you had to perform your job to the best of your abilities. He was a tough task master, but always fair.

Buddy was always willing to help the people of Kingston and never grumbled when he'd get a call in the middle of the night to go open the store to get coffee or soda for the Fire Department who were busy on a call or to deliver groceries to a senior resident who had no transportation or was too ill to travel. He was a member of the Kingston Lions Club for several years and even when he wasn't a member, he was always the first one to sign up to work the Lion's tent at the Carnival.

When Buddy was developing the plans to build the Carriage Towne Plaza, he gave serious consideration to ensure that its outward appearance was in keeping with the colonial beauty of the Town of Kingston. He in no way wanted to offend his friends and neighbors by building a tacky strip mall.

Buddy was also an active member of the Kingston Recycling Committee from 1989 to 1991 and a member of the Kingston Medical Committee from 1979 to 1982. On June 12, 1989, Buddy was appointed Selectman and was elected to a full term in March, 1990. He served in office until his death on August 27, 1991.

Buddy will be remembered by Kingston citizens for the many kindnesses and services he rendered without ever asking for recognition. He touched many lives and will be greatly missed.

IN APPRECIATION

ALICE J. TARBOX

After fourteen years of dedicated service to the Selectmen's Office, Alice retired in March of 1991. Alice served in many capacities; as bookkeeper, secretary and administrative assistant - a true "Jack of All Trades". Her vast knowledge of Town government operations were a true asset to the many Boards of Selectmen with whom she worked. These contributions, as well as her keen sense of humor, will long be remembered and appreciated. We wish her much happiness in her retirement.

LAWRENCE B. CHENEY

Lawrence "Bud" Cheney resigned in January, 1992 after serving a remarkable forty two years as Supervisor of the Checklist. Bud also served as Road Agent in 1946 and 1947 and continues to operate the Cheney Lumber Mill with his family. The Town extends sincere gratitude to Bud for his dedication and years of service to Kingston and wish him the best in the future. We also wish Bud a Very Happy 18th Birthday!!! (Bud was born on February 29, 1920!)

TOWN OF KINGSTON, N. H.
MINUTES OF TOWN MEETING - MARCH 12, 1991

ARTICLE 1 - The Annual Town Meeting was called to order at 10 A.M. by the Moderator, Electra L. Alessio, for the balloting for Town Officers, Officers of the Sanborn Regional School District and 13 Zoning Questions. The Moderator announced that the absentee ballots would be processed at 1:30 P.M. and she also announced that at the close of voting at 7 P.M. all ballots will be counted, and the meeting will be adjourned until 7 P.M. on Wednesday at the Swasey Gymnasium, to take up the remaining articles in the Warrant.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the ballot boxes. The Assistant Moderator was James T. Rankin, Sr., and the Ballot Clerks were Donna M. Grier, Carolyn R. Christie, Eleanor L. Childs, Charles A. Bradley, Jr. and Holly Ouellette. Miss Childs and Mr. Bradley were replaced at 1 P.M. by Ruth B. S. Albert and Marilyn B. Bartlett. The Police Officer was Neil R. Parker. Selectmen present were Peter E. Wilson, Sr. and Constino Alessio. The additional counters at night were Carolyn Harlow, Judith Smith, Edward Jervis, Norma Jervis, Sheila Briggs, Sheila Whittier, Phyllis Buckley, Donna Snow, George Harmon, Olive Moriarty, Linda Nadeau, Mary Mercurio, Merle Eramo, Karyn Maxwell, Elaine Van Dyke, Deborah Nowak, Donald Eadie and Brian Collins.

The following results of the balloting were announced by the Moderator: Total cast 1121, including 54 absentee ballots. Total voters on check list - 2875.

TOWN CLERK-TAX COLLECTOR FOR 3 YEARS:

Bettie C. Ouellette	1047	*

*Elected

ARTICLE 5 - "Are you in favor of the adoption of Amendment No. 1 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: To change the first paragraph of Section 3. (a) of the Aquifer Protection Ordinance "Location" to the following:

Section 3. (a). Location

The Aquifer Protection District is defined as the areas described on the following maps: those areas designated by dark, light and hatched shadings on the Master Plan map entitled Water Resources; the areas designated as having high, medium and low potential to yield water according to the United States Geological Survey map series #77-69 (Cotton Maps); areas designated as "outwash" and "ice-contact deposits" on the map entitled "Surficial Geologic Map of Kingston Quadrangle Rockingham County,

NH", by Forrest B. Earl; and areas designated as "Stratified Drift Aquifer" and "Stratified Drift Aquifer over Glacio-Estaurine Silts and Clays" on the map entitled "Geohydrology and Water Quality of Stratified-Drift Aquifers in the Exeter, Lamprey, and Oyster River Basins, Southeastern New Hampshire", USGS, 1990 and subsequent USGS mapping information for the Town of Kingston."

NOTE: The second paragraph of Section 3. (a) is not changed. The change in the first paragraph is the addition of new map references.

YES 683 NO 255

ARTICLE 6 - "Are you in favor of the adoption of Amendment No. 2 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 4.73 to the following:

4.73 Wetlands Conservation District Map

The Wetlands Conservation District as herein defined is shown on a map designated as "Town of Kingston Wetlands Conservation District" and is a supplement to the zoning map of the town. Wetland Boundaries indicated on the zoning map supplement shall be determined from soil survey field sheets which show the results of the soil survey referenced in Section 4.72 and from the on-site soils investigation of a certified soils scientist when required. Soil survey field sheets are available from the U.S. Soil Conservation Service in Exeter, N.H., and are on file with the Planning Board, Town Clerk and Conservation Commission. The results of any on-site soils investigation will be on file with the Planning Board and Conservation Commission. A certified soil scientist is a person qualified in soil classification and mapping who is certified by the State of New Hampshire Board of Natural Scientists."

NOTE: This changes the reference from "Qualified Soil Scientist" to "Certified Soil Scientist" and provides a definition for Certified Soil Scientist.

YES 712 NO 234

ARTICLE 7 - "Are you in favor of the adoption of Amendment No. 3 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 4.52 to the following:

4.52

The use of land in the Single Family Residential-Agricultural District is limited to single family dwellings, agricultural uses and incidental uses such as private garages, boat houses, tool sheds, gardens and the like. Agricultural use shall mean land used for agriculture, farming, dairying, pasturage, apiculture, horticulture, floriculture, silviculture, and animal and poultry husbandry." -

NOTE: This change defines agricultural use.

YES 676 NO 274

ARTICLE 8 - "Are you in favor of the adoption of Amendment No 4 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 4.41 to the following:

4.41

The Rural Residential District shall include the whole town with the exception of the Historic District, the Single Family Residential District, the Single Family Residential-Agricultural District, and the Kingston Industrial Zone."

NOTE: This change more specifically defines the Rural Residential District.

YES 662 NO 285

ARTICLE 9 - "Are you in favor of the adoption of Amendment No. 5 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 6.18 to the following:

6.18

Every dwelling unit shall have a minimum living area of 600 square feet per unit."

NOTE: This change replaces "per floor" with "per unit".

YES 669 NO 299

ARTICLE 10 - "Are you in favor of the adoption of Amendment No. 6 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 6.20 to the following:

6.20 RENTED APARTMENTS

Any building to be erected or altered for use as rented apartments, shall have a minimum of two (2) readily accessible exits (windows excluded) from each apartment. Every apartment to be used by a single family shall have a minimum living area of 600 square feet per unit."

NOTE: This change replaces "per floor" with "per unit."

YES 744 NO 230

ARTICLE 11 - "Are you in favor of the adoption of Amendment No. 7 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 5.23 to the following:

5.23

Mobile homes will not be permitted for use as dwellings in the historic district, the single-family residential district or the single family residential-agricultural district."

NOTE: This change restricts mobile homes to the Rural Residential District.

YES 605 NO 368

ARTICLE 12 - "Are you in favor of the adoption of Amendment No. 8 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 7.40 to the following:

7.40

Industrial developments, located outside the Industrial Zone, must have the approval of the Town after being recommended by the Selectmen."

NOTE: This change eliminates the need for town meeting approval of industrial developments in the industrial zone.

YES 457 NO 505

ARTICLE 13 - "Are you in favor of the adoption of Amendment No. 9 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to change Section 4.31 to the following:

4.31 (Adopted 3-11-80 and amended 3-10-87)

The Single Family Residential District shall include the area shown as such on the Zoning Map, extending along Rockrimmon Road from the Plains to Ball Road, southward along Ball Road to Danville Road, eastward along Danville Road to Route 111, eastward along Route 111 to Main Street, northward along Main Street to Bunker Street, westward onto Bunker Street to the point of beginning. All areas contained within the above mentioned roads, plus all areas within 400 feet of the centerline of the above mentioned roads on the outside of the area are included. In addition, Sections R24 and R31, and the area in Section R30 extending 1500 feet north of the centerline of Rockrimmon Road, and tax map R9 except for the areas 200 feet south of a line paralleling Newton Junction Road and areas west of a parallel line 1,000 feet back from Route 125 on the easterly side of said highway. Also areas within 400 feet of Windsong Drive, Cardinal Road and Gunstock Drive, tax map R7 and areas within 400 feet of Hunt Road from 1,000 feet west of Route 125 to the Danville line including Jericho Drive, Morning Dove Road, Robin Lane are included as well as the areas within 400 feet of Acorn Drive, Bob-White Drive, Oak Ridge Lane and Cheney Lane and the northerly side of North Danville Road, the area within a line running parallel to said road 1,000 feet back on the northerly side, and the area surrounding Happy Hollow Lane and Hillside Drive, as delineated in the Kingston property tax maps shall be included within the designation Single Family Residential District."

NOTE: This change more clearly describes the single family Residential District area.

YES 632 NO 289

ARTICLE 14 - "Are you in favor of the adoption of Amendment No. 10 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to revoke the current gravel pit ordinance and replace it with the following:

Kingston Excavation Ordinance

No pit for the removal and/or sale of sand, gravel, stone or earth shall be opened hereafter or operated without the specific approval of the Planning Board and subject to regulations established by them."

NOTE: The above ordinance and current RSA's suggest a regulation. The regulation has been written and is posted.

YES 690 NO 240

ARTICLE 15 - "Are you in favor of the adoption of Amendment No. 11 as proposed by the Kingston Planning Board for Kingston Zoning Ordinance as follows: to revoke the River Corridor Protection Ordinance and replace it with the following:

Shoreland Protection Ordinance"

NOTE: The protection of the River Corridor Protection District is widened to include the Great Ponds. The great ponds are Great Pond (also known as Kingston Lake), Country Pond, Pow Wow Pond, Greenwood Pond, Mill Pond, and Bayberry Pond.

YES 708 NO 218

ARTICLE 16 - "Are you in favor of the adoption of Amendment No. 12 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to add the following ordinance:

Impact Fee Ordinance"

NOTE: This ordinance imposes as impact fee on new construction. The fee is used for capital additions to municipal services. Moneys not used in eight years are returned.

YES 563 NO 363

ARTICLE 17 - "Are you in favor of the adoption of Amendment No. 13 as proposed by the Board of Selectmen for the Kingston Zoning Ordinance as follows: change Section 4.80, Paragraph 1, District Borders (of Industrial Zone), sentence 1, to read:

The district shall be the Town of Kingston Tax Map R-2, and the following parcels on Tax Map R-3; R3-13, and the portions of R3-3 and R3-4 that are 1000 feet east of a line parallel to the centerline of Route 125, and the following parcels of Tax Map R4; R4-10, R4-16, R4-23 and the portions of R4-17 that abut the rear boundary of parcels R4-8-12 through R4-8-16 and that are east of a line that runs from the northeast corner of R4-8-16 to the southeast corner of R4-20."

The Kingston Planning Board does not approve this amendment.

YES 179 NO 630

The Moderator declared Article 17 illegal, because no hearings were held.

SANBORN REGIONAL SCHOOL DISTRICT OFFICERS

SCHOOL BOARD MEMBER FROM KINGSTON - TERM ENDING 1994

James E. Battles	425

MODERATOR - TERM ENDING 1992

Richard "Rick" Russman	946 *

The ballots were wrapped, sealed and locked in the vault at the Town Hall at 10:55 P.M. on March 12, 1991.

Bettie C. Ouellette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT SWASEY GYMNASIUM - MARCH 13, 1991

Meeting was called to order at 7 P.M. by Electra L. Alessio, Moderator. All pledged allegiance to the Flag of our Country. She introduced the Selectmen, Jacqueline A. Russell, Peter E. Wilson, Sr. and Constino Alessio; Town Clerk-Tax Collector, Bettie C. Ouellette. She then introduced the Budget Committee members: Keith Dias, Robert Shaughnessy, Donna Winslow, Natalie Timmons, Arthur Schultz, James Rankin, R. Bradley Maxwell, Edward Jervis and Carroll Wright, Chairman. (Peter Sullivan arrived later.)

The Moderator announced that she wanted the meeting to proceed in an orderly fashion. She read all the results of yesterday's balloting, including the 13 questions on the ballots.

The Moderator announced that she had received a petition for a secret ballot for Article 18. This will be for final vote. (Unless otherwise specified, all votes were by voice.)

ARTICLE 2 - A motion was made and seconded to raise and appropriate $2,032,643.00 to defray town charges for the ensuing year. Amendment made by Neil Parker "to increase budget by $20,000 for a 3% cost of living raise for all Town Employees", was seconded. Another motion, made by Brian Collins, to table the amendment, was NOT passed. The vote was then taken on the amendment after a motion to cut off debate, made by Donna Winslow, was passed. Amendment was passed. More discussion followed, and then it was voted to raise and appropriate $2,052,643.00 to defray town charges for the ensuing year, voted as amended.

ARTICLE 3 - It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

ARTICLE 4 - It was voted to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing. (During the discussion, Brian Collins made a motion to extend the discount through December 31, but it was withdrawn after explaining what this would mean.)

ARTICLES 5 through 17 were voted by written ballot Tuesday.

ARTICLE 18 - A motion was made by Norman Hurley, and seconded, to adopt the rules and regulations of the Kingston Fire Department. Two editorial changes were made and accepted: Item #7 under Organization, the word "officer "was replaced by "member"; Item #6 under Equipment, the word "and " in the second paragraph was replaced by "that". There was no objection to these editorial changes.

There was a long discussion with many pro and con comments from the following: Norman Hurley, Jacqueline Russell, John Merrill, David Welch, Donald Briggs, Sr. and Natalie Davis. Ginette Emerson made a motion to table the article. When the voice vote was doubtful, the Moderator asked for a standing "eye" vote and she declared it defeated. This was challenged by Ed Jervis; so the Moderator appointed the following to count the standing vote: Atty. Richard Russman, Margaret Wentzell, David Conant, Laurence Midellmiss. Results were Yes 110, No 130.

More discussion followed with comments by Donald Eadie, William Harvey, Craig Barlow, Ellen Faulconer, Cindy Nadeau, Laurette Poleatewich and Donald Briggs, Sr. Then Jacqueline Russell read the following resolution: .

I move that the following resolution be adopted:

That a Task Force be formed to review the unresolved issues between the Board of Selectmen and the Fire Wards;

That the Task Force be charged with a full review of the proposed Rules and Regulations as printed in the March 1991 Town Report and all the legal ramifications contained therein;

That the Task Force be made of seven (7) individuals, two (2) to be appointed by the Selectmen, only one of which may be a Selectman, two (2) to be appointed by the Fire Wards, only one of which may be a Fire Ward, and three (3) to be appointed by the Town Moderator;

That the Task Force present its findings to the Town within ninety days, at a Special Town Meeting to be held on or before June 13, 1991;

That a Public Hearing to discuss the recommendations of the Task Force be held thirty (30) days prior to the Special Town Meeting.

Lynne Merrill immediately objected that this was the first time she had ever heard the Moderator allow any Resolution to be presented before the end of Town Meeting.

The following continued the discussion: David Welch, Norman Hurley, Sheila Briggs, Carl Oppenheimer, Ralph Dumke.

Then it was voted to cut off debate, on a motion made by Muriel Ingalls.

The Secret Ballot vote was taken and results were: YES 135, NO 117, thus adopting the following Rules and Regulations: (Assisting in counting were Holly Ouellette, Sheila Whittier and David Conant.)

RULES AND REGULATIONS OF THE KINGSTON FIRE DEPARTMENT

ORGANIZATION

1. The Kingston Fire Department shall consist of a number of paid personnel to be determined by the Fire Wards and the Fire Chief. The Fire Wards are the three people who are elected by the Townspeople. Each Fire Ward is elected for a three year term. These terms are staggered such that

only one Fire Ward's term expires each year and, thus, one Fire Ward will be elected each year.

2. The Fire Chief shall be appointed by the Fire Wards from a nomination made by the Kingston Fire Department body. The Department members shall submit a list of no more than three names of people whom, they desire to be Fire Chief. The Fire Wards will not be restricted to this list. The Fire Chief must be technically qualified by training and/or experience and have the ability to command personnel and hold their respect and confidence.

3. The Fire Chief shall be appointed for an indefinite period of time. The term of office shall depend upon the Chief's good conduct and efficiency. The Fire Chief may be removed from Office by the Fire Wards only, for just cause and only after a public hearing before them with reasonable notice in writing from the Fire Wards of the charges brought against the Fire Chief.

4. Any person wishing to bring charges against the Fire Chief will do so in writing to the Fire Wards. Upon receipt of these charges, the Fire Wards will take action as appropriate. This action shall include one of the following:

(A) A review with the Fire Chief during which the complainant will be allowed to be present.

(B) A public hearing or disciplinary action.

The complainant will be informed in writing of all action taken.

5. The chain of command will be such that the Fire Chief will report directly to the Fire Wards only. All other personnel will report to the Fire Chief.

6. The Fire Chief may create any position that is deemed necessary for the good operation of the Department with approval of the Fire Wards.

7. The Fire Chief will have the authority to remove any Member. This may only take place after the Fire Chief has met with the Member, the Member has been informed of the reasons behind this action, and the Member has been given a specified time frame to correct any problems. The Fire Member may appeal this decision to the Fire Wards.

8. The Fire Wards shall request a vote of confidence annually. This vote will be used to determine if the Fire Chief is maintaining the confidence of the membership.

9. A non-resident of the Town of Kingston may hold a position on the Kingston Fire Department as set forth by the standard operating procedures of the Kingston Fire Department.

10. No person shall hold the office of Fire Ward and Fire Chief at the same time. If extraordinary circumstances arise, and the Fire Department is without a Fire Chief, by vote of the Fire Wards, one Fire Ward may assume the roll as Acting-Chief until a suitable candidate can be found.

DUTIES OF THE FIRE WARDS AND FIRE CHIEF

1. The duties of the Fire Wards include, in addition to those set forth in RSA's 153 and 154, administration and all financial aspects of the day-to-day

operations of the Kingston Fire Department and all policies connected therewith so as to ensure a well run Fire Department for the Town.

2. The Fire Chief or Appointed Officer shall be in charge at all emergency situations in the Town of Kingston that may be related to fire, medical, or other emergency situation for which they are summoned.

3. The Fire Chief is in charge of all training, fire, medical and rescue emergencies.

4. The Fire Chief is authorized by RSA 154 to enter into mutual aid agreements or contracts with neighboring towns or services to provide to and receive from them mutual aid.

5. The Fire Chief shall keep a complete set of records including all fires, inspections, ambulance calls, members, injuries, and other related runs. The Fire Wards may request any and all reports at any time.

6. The Fire Chief shall develop a complete set of standard operating procedures to be used as guidelines for all Kingston Fire Department evolutions. These Standard Operating Procedures will be created and updated as necessary. A copy will be provided to all members.

7. The Fire Chief shall appoint a Fire Inspector annually. The Fire Inspector will perform inspections in accordance with RSA's 153 and 154. He will receive compensation for these inspections. In the absence of the Fire Inspector, the Fire Chief may assume these duties and receive the same compensation.

8. The Fire Wards and Fire Chief may delegate any of their respective duties to any qualified member of the Kingston Fire Department as allowed by standard operating procedures and RSA's.

MEMBERSHIP

1. Any person age 16 or over who is a legal resident of the Town of Kingston, or works in or near Kingston, may make written application to the Kingston Fire Department. This application will be reviewed by the Fire Chief for a recommendation of appointment to the Fire Wards. After this appointment, the applicant will submit to a physical exam from a physician of the Kingston Fire Department's choice. After this application process is complete, the applicant will be placed on a mandatory probationary period of no less than 30, but no more than 180 days. Upon successful completion of this probation, the member may be placed on a paid status or removed as recommended by the Fire Wards and Fire Chief.

2. No member under 18 years of age shall ride in or on any fire truck or ambulance while it is responding to an emergency call.

3. No member under the age of 18 shall engage in any hazardous activities as determined by standard operating procedures or the officer in charge.

4. Non-resident members will be allowed to respond as set forth by standard operating procedures. They may be issued Kingston Fire Depart-

ment equipment including: pagers, two-way radios, protective equipment, and first aid supplies. They will abide by all standard operating procedures and the rules and regulations of the Kingston Fire Department.

5. All members will inform the Fire Chief of the times that they are available to respond for calls. Those members who do not respond to emergencies or attend training sessions will be asked to turn in their issued equipment so that it may be reissued to another member who will be able to respond and provide the best coverage.

EQUIPMENT

1. The Kingston Fire Department shall be equipped with such apparatus, ambulances, and other equipment that it deems necessary to provide fire, medical, and emergency services to the Town.

2. Recommendations of equipment and apparatus that is needed shall be made to the Fire Wards by the Fire Chief and/or Fire Officers or committee. The Fire Wards may then recommend to the Town for approval. The purchase of equipment will be pursued as they deem appropriate.

3. All Kingston Fire Department equipment shall be safely and conveniently housed in such places as designated by the Fire Wards. These locations shall be heated in the winter months.

4. A standard operating procedure will be developed for all Kingston Fire Department apparatus and equipment designating who has the authority of use.

5. The Fire Chief and the Fire Wards shall make suitable arrangement for citizens to turn in fire alarms or request assistance. They will also make equipment available to notify members of any and all calls.

6. No person shall use any fire apparatus or equipment for any private purpose, nor shall any person willfully and without proper authority remove or conceal any article that is the property of the Kingston Fire Department.

The Kingston Fire Department does not make service calls other than those allowed by the standard operating procedures for service calls that are approved by the Fire Wards.

7. No apparatus shall be allowed to be hired out or to leave Town except in response to a fire or other emergency in a neighboring community without the consent of the Fire Wards or the Fire Chief in accordance with the standard operating procedures.

8. All members in good standing may be issued any or all of the following equipment: pocket pager, protective equipment, two-way radio, and first aid supplies. The ownership of all issued equipment will remain with the Kingston Fire Department. All equipment will be given reasonable care by the members. The Kingston Fire Department will assume all financial responsibility for the maintenance of its equipment.

9. The Fire Chief, at his discretion, may recall any issued equipment from the members for any of the following reasons: poor attendance, poor job

performance, change of address, resignation or termination from the Kingston Fire Department, and for any other reason that would keep a member from fulfilling the membership requirements.

10. Each member, upon receipt of issued equipment, shall sign a receipt and become responsible for it. Upon leaving the Kingston Fire Department, for any reason, shall return all issued equipment to the Fire Chief or Equipment Officer.

11. Members in good standing shall be issued one arm patch and one auto identification plate. Any additional patches or plates may be issued at a later date.

MEETINGS

1. The Kingston Fire Department shall meet every Monday of each month. The meetings shall start at 19:00 hours to conduct training, vehicle maintenance, and other department business.

2. No meeting will be held on a recognized holiday unless unusual circumstances exist.

3. Training may be conducted on days other than Monday if proper notification has been made to the members.

4. It is the duty of the Fire Wards to hold public meetings to discuss and deliberate on all matters concerning the efficient running of the Fire Department

CONDUCT

DRINKING OF ALCOHOLIC BEVERAGES OR USE OF ILLEGAL DRUGS

1. There will be no drinking of alcoholic beverages or consuming of illegal drugs allowed on or while in the Kingston Fire Department property or equipment. Any member who is found doing so will be subject to removal.

2. All members should maintain a high moral standing and should refrain from activity that would be viewed as bringing discredit to the Kingston Fire Department.

ARTICLE 19 - It was voted to raise and appropriate the sum of $3,000.00 for computer software to be used for Police Department statistics for accidents and report writing. Expenditure of said monies is contingent upon receipt of matching Highway Safety Grant. The vote was taken after a motion to cut off debate made by Buddy Alessio was passed.

ARTICLE 20 - It was voted to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1991 calendar year provided that such

expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

ARTICLE 21 - It was voted to indemnify and save harmless for loss or damage occurring after said vote, any person employed by it and any member or officer of its governing board, administrative staff or agencies, including, but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N. H.

ARTICLE 22 - It was voted to table this article relative to a 4% cost of living increase to the Police Department ($7,799.86). Anne Dumke asked at this point to take up an item of new business. This was NOT passed.

ARTICLE 23 - It was voted to authorize the Board of Selectmen to raise and appropriate the sum of $5,000 to continue a comprehensive drug awareness program in both Sanborn Regional High School and Daniel J. Bakie School. The vote was taken after a motion to cut off debate made by Michelle Gove was passed.

ARTICLE 24 - It was voted, as amended editorially, to approve the formation of a Kingston Municipal Grievance Committee. The purpose of the Kingston Municipal Grievance Committee will be to provide for a fair and open-minded adjudication of personnel grievances brought by ana/or against any town employee or official (elected or appointed).

The Kingston Municipal Grievance Committee shall have five members comprised of the following:

1. One representative of the Board of Selectmen (appointed by a vote of the Board of Selectmen)
2. One representative of town employees (a full or part time town employee, appointed by the Town Moderator)
3. One representative of the Town of Kingston Budget Committee (appointed by a vote of the Budget Committee)
4. Two residents of the Town of Kingston who are not presently town employees or town officials (appointed by the Town Moderator)

The Kingston Municipal Grievance Committee shall have the responsibility to develop and implement a grievance procedure in accordance with any applicable state or federal law. The grievance procedure shall be implemented after review by Town Counsel for compliance with applicable state and federal law. The grievance procedure shall be developed and

implemented no later than September 1, 1991.

The grievance procedure shall be open to all town employees and officials and shall be used to adjudicate personnel matters and other matters which cannot be resolved in an amicable fashion. Any town employee or town official shall have the right to file a grievance and have a hearing before the Kingston Municipal Grievance Committee.

When a grievance is filed and heard by the Kingston Municipal Grievance Committee, the findings of this committee shall be binding upon the Town of Kingston and the parties to the grievance.

ARTICLE 25 - It was voted to table this article relative to removing curbside pickup and its associated contractual expense. At the same time it was voted to table **ARTICLE 26** relative to raising and appropriating the sum of $25,000 for two (2) used dump trucks for the Sanitation Department. The motion to table was made by Buddy Alessio. A point of order was raised about tabling two articles together.

ARTICLE 27 - This original article read: "On petition of twenty nine (29) registered voters of the Town of Kingston to see if the Town will vote to allow Town employees to use Town buildings to do minor vehicle maintenance (car washes, etc.) on privately-owned employee vehicles."

Then an amendment made by Bill Timmons added "and other non-profit organizations" after "employees". Then Natalie Timmons made another editorial change to strike out "minor vehicle maintenance" so it would read "to do car washes".

Judy Oljey made an amendment, which was ruled out of order. More discussion continued until it was voted to cut off debate, on a motion made by Alan Ard.

The amendment was NOT passed. Then it was voted on a motion made by David Welch to table the article and refer it to the newly formed Grievance Committee.

ARTICLE 28 - It was voted to raise and appropriate the sum of $3,493.75 to be placed into the Capital Reserve account for future replacement of the Ambulance.

ARTICLE 29 - It was voted to pass over this article relative to raising and appropriating the sum of $6,500.00 for the purpose of a well at the Central Fire Station to have access to drinking water.

ARTICLE 30 - A motion was made by Norman Hurley, and seconded, to raise and appropriate the sum of $40,000. to be placed in Capital Reserve for Apparatus Replacement to stay on schedule. Then, an amendment made by Carroll Wright to change the sum to $25,000 was passed. Then, it was voted as amended to raise and appropriate the sum of $25,000. to be placed in Capital Reserve for Apparatus Replacement to stay on schedule.

ARTICLE 31 - It was voted, as amended, to raise and appropriate the sum

of $1.00 for Emergency Medical Training for the members of the Kingston Fire Department. The original petition asked for $5600.00 and was amended to $5400.00 by Norman Hurley, who complained that the Selectmen did not allow the expenditure last year. After numerous comments, it was explained that the $5400.00 was already built into the budget figure, which had been voted in Article 2; so Arthur Schultz made the motion for the amount of $1.00. It was voted to cut off debate on motion made by David Conant. It was then voted, as amended.

ARTICLE 32 - The original article asked that the Town authorize the use of Kingston Plains for the purpose of Training drills and Exhibitions for the Kingston Fire Department. Ed Jervis made a motion to table the article and refer it to the Grievance Committee. When the Moderator ruled it had passed, this was challenged by Carroll Wright. On a standing vote (Yes 91, No 108), the tabling was defeated. Counters were Atty. Richard Russman, Bruce Bouillette, David Conant and Laurence Middlemiss. Then an amendment made by Alan Krauss to add "with the exception of auto extrication" after Exhibitions was defeated. Donald Briggs, Sr. was ruled out of order on a comment about gas tanks. It was voted to cut off debate on a motion made by David Conant. Returning to the main motion, the Moderator declared it was defeated and she was challenged by John Merrill. Results of standing vote were Yes 91, No 108, confirming defeat of article.

ARTICLE 33 - This article, relative to approving the position of Administrative Assistant to the Board of Selectmen, was defeated.

ARTICLE 34 - It was voted to authorize the Selectmen to raise and appropriate the sum of $14,980. to fund the continuation of the Kingston volunteer recycling program after a motion to cut off debate was made by Jaki Russell, which was passed.

ARTICLE 35 - This article, relative to raising and appropriating, on a permanent basis, $65,000.00 was defeated. During the discussion, it was pointed out that the Budget Committee had recommended the amount of $15,597.00 to be raised and appropriated. However, upon further investigation, it was learned that there was actually a loss of $10,000.00 instead of a profit of $15,597.00. Part of this is due to the method of bookkeeping. The vote was taken after a motion to cut off debate, made by Buddy Alessio, was passed. The DEFEATED article concerned the Landfill.

ARTICLE 36 - It was voted, as amended, to make the Kingston Solid Waste Task Force a permanent town coxmxittee. This committee shall be made up of eleven (11) residents of Kingston and one (1) Selectman as a non-voting member. Said members shall be appointed by the Selectmen for two (2) year terms. Six (6) for one (1) year and five (5) for two (2) years, the first year only. The duties of this committee shall be to: (1) oversee the operation of the Kingston volunteer recycling program; (2) to develop and recommend

a plan for the future use of the Kingston Landfill based on the results and recommendations of the present Landfill closure study; (3) to evaluate waste management alternatives as part of the Quad Town Waste Management District twenty year waste management plan; (4) to prepare and solicit Requests for Proposals for the operation of a Town waste disposal program that uses recycling as a major component (5) to continue to seek solutions to problems, as they occur, that relate to issues of solid waste.

ARTICLE 37 - It was voted to raise and appropriate the sum of $3000.00 for Drugs Are Dangerous, Inc. (DAD).

ARTICLE 38 - This article, relative to depositing 25% of the revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II, was NOT passed.

ARTICLE 39 - It was voted to authorize the Selectmen to deed back real estate situated at 19 Great Pond Road (Tax Map U4, Parcel 221), which the Town acquired by Tax Collector's deed, upon payment to the Town of an amount equal to the sum of unpaid taxes on that real estate interest thereon at the statutory rates for unpaid taxes; and all costs of the Town relating to the unpaid taxes and deeding of this real estate.

ARTICLE 40 - It was voted to authorize the Plaistow Area Transit Advisory Committee to continue to negotiate to bring rail transportation and facilities to the Plaistow area. (No cost to the Town is anticipated.)

ARTICLE 41 - It was voted to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCC RSA 36-A:5 for the purposes of acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use. Land defined by Kingston tax designations of R26-44 and R26-45 shall be included, but not limited to, for conservation use as defined above. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose: Said appropriated or donated funds may be expended by the majority of the Kingston Conservation Commission and the Selectmen.

ARTICLE 42 - It was voted to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCC RSA 36:A-5 for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N. H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purpose of acquisition of the fee or lesser interest in conservation land. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated

purpose. Said appropriated or donated funds and the Stated matching funds may be expended by the majority vote of the Kingston Conservation Commission and the Selectmen.

ARTICLE 43 - It was voted to raise and appropriate the sum of $10,000.00 to be added to the Capital Reserve Fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs.

ARTICLE 44 - It was voted to create a permanent part-time librarian position for the Nichols Memorial Library.

ARTICLE 45 - It was voted to raise and appropriate the sum of $3,500.00 to replace the carpeting in the upstairs portion of the Nichols Memorial Library.

ARTICLE 46 - It was voted to raise and appropriate the sum of $5,000.00 to be added to the Nichols Memorial Library Capital Reserve Fund for future library expansion as created in the 1990 Town Meeting.

ARTICLE 47 - It was voted to raise and appropriate the sum of $2800.00 to purchase shelving for the Nichols Memorial Library.

ARTICLE 48 - It was voted to raise and appropriate the sum of $500.00 to assist Cross Roads House, Inc., a non-profit organization, in providing emergency shelter and transitional housing services to the area's homeless population.

ARTICLE 49 - This article, relative to authorizing the Board of Selectmen to once again appoint an Affordable Housing Committee to continue its study of the feasibility of affordable housing and create plans for its construction in Kingston, was defeated.

ARTICLE 50 - It was voted to adopt the following Resolution:"'We, the People, being registered voters and concerned citizens of Kingston, strongly encourage our state to maintain its commitment to programs and services that serve the basic human needs of the poor, sick, disabled, children, elderly, and unemployed. The maintenance of this commitment should not be done in such a way as to further shift financial burdens to the local community."

ARTICLE 51 - This article, relative to authorizing Trick-or-Treating on October 31 each year, was defeated. This article was amended by Lynne Merrill to read "on a date to be set by the Selectmen on the recommendation of the Recreation Commission". This was passed, but upon returning to the main motion, it was defeated on a standing vote of Yes 67, No 70. A motion to cut off debate was made by Carroll Wright. Counters were David Conant, Larry Middlemiss, Brian Collins and Anne Dumke.

ARTICLE 52 - It was voted to raise and appropriate the sum of $700.00 to

help defray the cost of services provided to the Town of Kingston and its residents by the Retired Senior Volunteer Program (RSVP).

ARTICLE 53 - It was voted to adopt the following article: the Town of Kingston affirms that there is no place in Kingston for any group actively preaching hate or bigotry toward any man, woman or child, no matter the color of their skin or religious affiliation. We further affirm Kingston respects the rights of all its citizens to live in peaceful coexistence."

ARTICLE 54 - It was voted to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

ARTICLE 55 - It was voted, as amended, to authorize the Board of Selectmen to sell tax deeded property, excluding water front property, at public auction or sealed bid, subject to the Public Land Acquisition Ordinance adopted March 11, 1986. The amendment, underlined, was made by Buddy Alessio.

ARTICLE 56 - It was voted to adopt the grand total of the budget and all articles at $2,129,617.75. This was an affirmation of the total sum spent at this Town Meeting.

Anne Dumke made a motion to adopt the Resolution read previously by Mrs. Jaki Russell, with a change to "adopted" instead of "proposed" Rules and Regulation: That a Task Force be formed to review the unresolved issues between the Board of Selectmen and the Fire Wards; That the Task Force be charged with a full review of the adopted Rules and Regulations as printed in the March 1991 Town Report and all the legal ramifications contained therein; That the Task Force be made of seven (7) individuals, two (2) to be appointed by the Selectmen, only one of which may be a Selectman, two (2) to be appointed by the Fire Wards, only one of which may be a Fire Ward, and three (3) to be appointed by the Town Moderator; That the Task Force present its findings to the Town within ninety (90) days, at a Special Town Meeting to be held on or before June 13, 1991; That a Public Hearing to discuss the recommendations of the Task Force be held thirty days prior to the Special Town Meeting." This was passed.

The Moderator asked for any interested citizens to volunteer to serve on the Grievance Committee or Budget Committee, if there is a vacancy.

It was voted to adjourn at 11:55 P.M.

Kingston Town Clerk

RECOUNT

On March 15, 1991, the following letter was received by the Town Clerk:

"To Town Clerk:
Please do a recount on the write in, for the ballots of 3/12/91; for Trustee of the trust fund position in the Town of Kingston, N. H. for 1 year.

(signed) Henry R. J. Chabot"

After receipt of this request, the following Order of Notice was issued by the Town Clerk:

"To: Electra L. Alessio, Moderator
Anne E. Varney, Write-in Candidate
Henry R. J. Chabot, Write-in Candidate
Peter E. Wilson, Sr., Selectman
Constino Alessio, Selectman
Stamatios Yiokarinis, Selectman

You are hereby notified in compliance with RSA Chapter 699:31 that there will be a recount of all ballots cast for Trustee of the Trust Fund (one year term) in the election of March 12, 1991, at 9:00 o'clock on the forenoon (9:00 A.M.) on Tuesday, March 19, 1991, at the Kingston Town Hall in the Conference Room.

(signed) Bettie C. Ouellette
Kingston Town Clerk"

RESULTS OF RECOUNT

On March 19, 1991 at 9:02 o'clock in the morning, the Recount took place at the Town Hall in the Conference Room. The Recount Board consisted of the Moderator, Electra L. Alessio; Town Clerk, Bettie C. Ouellette; Selectmen, Peter E. Wilson, Sr., Chairman, Constino Alessio and Stamatios Yiokarinis.

The ballots were brought from the Town Hall vault by the Moderator, the seal was broken and the Recount started. The following results were obtained and announced by the Moderator:

Anne Varney	17 *
Henry Chabot	14

The following people received one or two votes each: Ruth Albert,

Warren F. Ames, Jr., Marilyn Bartlett, Donald Briggs, Jr., David B. Butt, Walter S. Clark, David Conant, Jane Cover, Sharon Curtis,

Donald Eadie, William Eckel, William Harvey, Richard Heatherton, Edward Jervis, Jr., Mary Kanaly, George Leate, Lynne Merrill, Bettie Ouellette, Vincent Palumbo, James Rankin, Jacquelyn Russell, Richard Russman, Sue Schiller, Ed Spinney, Ruth Therrian, Barbara Whitcomb, Donna Winslow, Carroll Wright, Charlotte Wright and Stan Yiokarinis.

The Moderator declared that Anne Varney was still the winner.

The recount session adjourned at 9:25 A.M., and the sealed ballots were locked in the Town Hall vault by the Moderator and the Town Clerk.

Bettie C. Oulette
Kinsgtson Town Clerk

TOWN OF KINGSTON, N. H.
MINUTES OF SPECIAL TOWN MEETING - JUNE 18, 1991

The Special Town Meeting was called to order at 10:00 A.M. by the Moderator, Electra L. Alessio, for the purpose of balloting on the adoption of an Amendment to the existing Kingston Industrial Zone.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the ballot boxes. The Assistant Moderator was James T. Rankin, Sr., and the Ballot Clerks were Holly Ouellette, Donna M. Grier, Carolyn R. Christie, Charles A. Bradley, Jr., Eleanor L. Childs and Ruth B. S. Albert. The Police Officers were Neil R. Parker, Sr. and Donald Briggs, Jr., and the Selectmen were Stamatios Yiokarinis, Peter E. Wilson, Sr. and Constino Alessio.

ARTICLE 1: "Are you in favor of the adoption of the Amendment to the existing Kingston Industrial Zone, as proposed by the Planning Board, which will change Section 4.80, Paragraph I, District Borders, sentence 1, to read as follows:

The district shall be the Town of Kingston Tax Map R-2, and the following parcels on Tax Map R-3: R3-13, and the portions of R3-3 and R3-4 that are 1000 feet east of a line parallel to the center-line of Route 125, and the following parcels of Tax Map R-4: R4-10, R4-16, R4-23 and the portions of R4-17 that abut the rear boundary of parcels R4-8-12 through R4-8-16 and that are east of a line that runs from the northeast corner of R4-8-16 to the southeast corner of R4-20.

The Planning Board approves this amendment to the Kingston Zoning Ordinance."

Notice was given that the Board of Selectmen had received a valid protest petition under RSA 675:5 so that a two third favorable vote was required to adopt the proposed change. There were 408 votes cast, including 11 absentee, and the article was defeated by 164 yes votes and 244 no votes.

Meeting was adjourned at 7:30 P.M. and the ballots were sealed and locked up in the Town Vault.

Bettie C. Ouellette
Town Clerk

BOARD OF SELECTMEN'S REPORT

The year 1991 was a year marked by triumph and tragedy. After a courageous battle with cancer, Selectman Constino "Buddy" Alessio passed away on August 27, 1991. His vast business competence and dedication to the Town left the Board with a deep void.

In October, 1991, Selectmen Wilson and Yiokarinis appointed Jeremy "Jerry" Russman to fill the vacancy on the Board. Jerry has demonstrated a commitment to the Board and the Town by his acceptance of the position and the Board is grateful for his assistance.

The Board is also pleased to note that, for the first time in many years, the tax rate has actually dropped! It is with sincere gratitude that the Selectmen acknowledge the contributions of all Town Departments in making this decrease possible. Their cooperative efforts to control spending and cut operating costs is greatly appreciated.

At this time, also, the Board of Selectmen wishes to thank all Town employees and members of Boards, Commissions and Committees. Their efforts in serving Kingston is demonstrated by their cooperation and enthusiasm.

In conclusion, the Board extends thanks to all the Townspeople for their continued interest in the affairs of the Town and for their commitment to making Kingston a wonderful community.

Peter E. Wilson
Stamatios Yiokarinis
Jeremy D. Russman

Board of Selectmen

AUDIT REPORT

The audit firm of Grzelak & Co. of Laconia, N.H. is in the process of finalizing its 1991 report regarding the general purpose financial statements for the Town of Kingston.

We regret that this report was not available at the time of printing. When the report is received, it will be announced and copies will be available.

Board of Selectmen

TOWN OF KINGSTON
Department of Health
Kingston, New Hampshire 03848

January 20, 1992

In1991 the following actions pertaining to septic systems were completed by the Health Officer for the Town of Kingston:

	plans approved	site approved	backfill approved	occupancy approved
Initial plans	11	17	19	22
Redesigned plans	11	8	8	9
Repaired systems	15	14	14	-
Replace systems	9	3	3	-
Conversions	0	0	0	0
Back-pocket plans	0	0	0	0
	46	42	44	31

In addition, the following inspections were conducted.

Child Care Facility Inspections	-	8
Complaints	-	15
Condemning of existing structures	-	0
Restaurant inspections and re-inspections	-	18

Respectfully submitted,

Laurence Middlemiss
Kingston Health Officer

ANNUAL REPORT OF THE WELFARE DEPARTMENT

Once again the time has come for the annual report of the Welfare Department and Kingston Food Pantry for 1991.

The Welfare Department is located in a small room on the second floor of the Town Hall. An adjoining area contains clothing to help the needy, including shoes, pants, skirts, sweater, etc. These are provided free of charge. During the year, may families have take advantage of this program.

The dollar amount for food provided to families during 1991 was $7183.22. This was an increase of $1430.50 over 1990. The Food Pantry has also made up food baskets for Thanksgiving and Christmas.

Many thanks go to the numerous contributors who wish to remain anonymous for their generous donations.

Other donators to the Food Pantry include:

Salvation Army with FEMA

Kingston Boy Scouts (Scouting For Food Program)

Sanborn Regional Middle School Students under the supervision of Mr. Richard Chretien (collected food and toys for Christmas)

Market Basket of Tewksbury, MA

Southern NH Trail Blazers

Kingston Area Junior Women's Club

Kingston Star Blazers

Encore Theatre Group

Kingston Historical Society

Arnold Bakery Thrift Store

William and Nancy Rent

Russell and Cindy Army

Harry and Dena Snow

Richard and Denise Devlin

Mr. & Mrs. Joseph Wicker

R.E. Morse

In closing my report, I want to take this opportunity to sincerely THANK everyone for helping in any way. Due to the present economy, there are many people in Kingston who need help. If we may be of assistance, or ifyou desire any information, please call me at 642-9971.

May we all continue to work together for a better 1992 for all. Again, many thanks.

Michael Priore
Welfare Officer
Food Pantry Director

ANNUAL REPORT
KINGSTON BOARD OF ADJUSTMENT

The Kingston Board of Adjustment held fourteen hearings during 1991. There were two requests for relief from administrative error and twelve requests for multiple variances. Thirteen hearings were successfully resolved. One is presently in court.

The Board would like to thank the citizens it dealt with for their patience and understanding.

The Board is especially grateful to Larry Middlemiss, Health Officer, for his many contributions and his expertise. Ed Caillouette, Building Inspector, has also made our work easier.

David Dearborn, Chairman
Kingston Board of Adjustment

ANNUAL REPORT OF THE BUILDING INSPECTOR

There were 135 Building Permits issued in 1991 for various types of construction. This number is down 32 from 1990. Of the 135 Permits, 28 were for new single family houses; this represents an increase of 5 houses over 1990. The single most factor contributing to this increase was the cluster development on Ann's Terrace.

The single largest permit issued this year was to Robert Shaw Control, Inc. for loading docks at the former Kellogg Building at 266 Route 125.

In conclusion, the weakness in building activity in Kingston, as well as the entire North East, is mainly attributable to the recessionary economy and tax reform changes.

Edmund Caillouette
Building Inspector

ANNUAL REPORT
KINGSTON PLANNING BOARD

The purpose of the Kingston Planning Board is to promote orderly growth, to protect the town's natural resources, and to maintain its character.

This year, the Board held fourteen public hearings where the members reviewed twenty-one site plans, six invisible businesses, thirteen regulations for the 1991 Town Meeting, four subdivisions, four lot line adjustments, one lot line explanation from a previous year's board action, seven gravel pit permits, and seven zoning proposals for the 1991 Town Meeting.

Extensive work was done for a proposed Industrial Zone off Newton Junction Road. Public informational meetings were held, as was a Special Town Meeting. The proposal was voted down by the citizens.

The Board's Planning Assistant/Circuit Ride is Mr. Glenn Greenwood, an employee of the Rockingham Planning Commission on a part time contract to the town. Mr. Greenwood holds office hours three Monday afternoons a month. He accepts application, reviews plans, and advises on planning and zoning ordinances and procedures. He attends all board meetings. In 1992, he will be reviewing the Master Plan for updating. He has been invaluable to the Board in research and review.

Mr. Greenwood, as well as the board secretary and the chairman have spent many hours explaining board policies and procedures to members of the public. We have many more conceptual discussions than actual proposals.

We are indebted to the other town departments for their cooperation and assistance in accomplishing our goals. Sincere thanks is given to the board members for all their work, and to the people of Kingston who took the time to attend meetings and to express their opinions.

Kenneth L. Weyler, Chairman
Kingston Planning Board

KINGSTON SOLID WASTE TASK FORCE
1991 ANNUAL REPORT TO THE TOWN OF KINGSTON

The Kingston Solid Waste Task Force (KSWTF) is completing its third year of operation during which we continued to develop and evaluate solutions to our solid waste disposal problems - both long and short term. The Task Force has worked with the Board of Selectmen, other governmental agencies, private companies and citizens of the town in this regard.

Goals established by the KSWTF in 1990 continue in effect; namely:

1. Develop and implement an interim recycling program until a long range program is in effect.
2. Develop recommendations for future use of the Town landfill based on results of the State mandated closure study.
3. Evaluate alternative methods of trash disposal based on the State mandated twenty year waste disposal plan.

In 1991 the KSWTF committed to the additional goal of:
Coordinating the disposal of Household Hazardous Waste with nearby communities in a cost effective manner.

Within the framework of these goals the following tasks were undertaken or continued:

1. Operation of the transfer station recycling facility at the Carriage Towne Plaza.
2. Coordination of the community waste oil drop off program at the Town Garage.
3. Publication of information in local news outlets designed to encourage greater participation in the community recycling program.
4. Promotion of recycling activities in the local schools.
5. Initiation of a "Furniture Exchange" program at the Town landfill.
6. Application for State grant funds to help finance a regional House Hazardous Waste collection program.

As reported last year, the State has not yet issued its findings regarding the mandated Closure Plan. When this is received, we will assist the Selectmen in evaluating and implementing recommendations contained in their report.

Submitted by:
Anthony L. Whitcomb, Chairman
Kingston Solid Waste Task Force

NICHOLS MEMORIAL LIBRARY

Nichols Memorial Library, the Trustees and Staff thank the townspeople for their continued support at the town meeting last March and throughout the year. Because of this, new carpeting has been installed in the adult area, and replacement shelving has been ordered for both the adult and children's rooms.

We are still operating in the original building that was donated to the town 93 years ago by Howard J. Nichols. The library held 782 books at that time. Today the library has over 11,000 titles. For every new book added one book must be discarded. The population of the town has grown from a few hundred in 1898, when the present building was built, to more than 6000 today. The town must plan for additional library facilities in the very near future.

Gerry Tilley, the Children's Librarian for the past three years, resigned in June. Marge O'Donnell was then appointed to this position, but had to resign three months later because her son was seriously injured in an automobile accident. In December, Julie Wojtkowski assumed the position of Children's Librarian.

Carol Forsythe, a former trustee, lost her life in an automobile accident in October. We miss her continued support and help, especially her guidance with the library computer.

Memorial donations were received for Clarence Gifford, Carol Forsythe, Annie Stevens, and Cecil L. and Ruth W. Cross.

The library especially thanks the following organizations and people for their generous and continued support:

The Kingston Junior Women
The Kingston Veterans Club
The Magnusson Memorial
Northland Forest Products
The Rockingham Planning Commission
The VFW Ladies Auxiliary
Jesse Arnold
Ann Bolton
Ed Crescentini
Mr. & Mrs. Edward Jervis
Bob McPhee
Joyce Reid
Dorothy Wagner
Mr. & Mrs. Carroll Wright

The contributions, time and support from the above are a major factor in the continued growth of Nichols Memorial Library.

Carol Rich, Librarian

KINGSTON POLICE DEPARTMENT
ANNUAL REPORT

The Kingston Police Department during the past year has seen a large increase in the number of police related calls as a result of the economy.

Last year I reported to you in my annual report that the Kingston Police Department was spending numerous hours in the war against drugs. I am pleased to inform you that during the 1991 year the Kingston Police and New Hampshire State Police Narcotics Unit made numerous arrests related to illegal drug activity. We will continue to focus on the drug problems within our community, both through interdiction and education.

Throughout the year the police department was faced with many hurdles to overcome. The morale and manpower issues placed an extreme burden on my department. I would like to thank the men and women of my department for the professionalism and dedication during this crucial time. The continued support of the residents reinforces the police department goal, which is to provide the citizens of Kingston with the most efficient, professional police department for the town.

Neil R. Parker, Sr.
Kingston Police Dept.

FIRE DEPARTMENT REPORT

The year 1991 saw many changes for the Kingston Fire Department (KFD). Those changes helped to provide a positive working environment within the department that spurred new membership and renewed interest in what was a declining atmosphere.

The members of the KFD would like to thank you for the vote of confidence shown in us by your passage of our department by-laws last year. We have worked hard to show that we can manage our department responsibly while being sensitive to the ever changing needs of the community.

During the past year we have gained 10 new members. We have also added 4 Emergency Medical Technicians (EMT) at the intermediate level, 1 at the basic level and 8 firefighters who became state certified at new levels. We also have 2 students currently enrolled in an EMT class thanks to funding provided by the Kingston Medical Assoc. Inc.

During the year the KFD responded to 479 calls; 294 were ambulance and 185 were fire calls. Included in these were 6 structure fires. Our medical and auto extrication skills were tested on what seemed like a weekly basis as we responded to over 30 calls at which "The Jaws of Life" were used. Most of these accidents took place at the intersections of Rte. 125 and New Boston Rd. or Rte. 125 and Rte. 107 North.

While the main focus of our efforts was placed on gaining new members, we spent our remaining time on continuing the education of our existing members. These efforts have included both in house and outside training programs. Twice per month we attend programs offered by the Exeter Hospital as well as taking State of New Hampshire sponsored certified Firefighter classes. During 1991 the members of the KFD attended over 6000 hours of training programs. All of this training was done on volunteer time at no cost to the town.

Also implemented this year was our first set of standard operating procedures. These procedures will become the foundation upon which all training programs will be formatted and all emergency operations will be conducted. They will provide us with a safer and more consistent operation.

At this town meeting the KFD will be asking for the replacement of our 1973 Ford which is known as Engine Three. It is housed at our Station Two on Hunt Road from where it normally responds to all calls in the southern end of town as well as all major incidents throughout town. It's condition has deteriorated to the point at which a major amount of money must be spent on it if we want to keep the truck serviceable for any length of time. The replacement cost of this truck is estimated to be between $130,000 and $150,000 this year. Presently there is approximately $130,000 in our capital reserve account for this truck.

In closing the KFD would like to thank the Kingston Medical Assoc. Inc.,

the Kingston Area Junior Women's Club, Epping McDonalds, Carriage House of Pizza, the Pond View Restaurant and our many friends and neighbors who have supported the KFD during the year with donations of money and refreshments.

Respectfully,

Bill Timmons
Chief
Kingston Fire Department

KINGSTON CONSERVATION COMMISSION ANNUAL REPORT

This last years most significant accomplishment was again made by Dianne Eadie with help from John Bakie. It was the completion of another major project with the Land Conservation Investment Program (LCIP) that will protect approximately 100 additional acres abutting Country Pond at the outlet to the Powwow River. Dianne did all the difficult work required to put this project together and John enabled the project by another generous donation of his land abutting Powwow Pond. We have now begun the task of reviewing all the Town controlled lands and will be developing management plans.

Another significant achievement is the progress of the Prime Wetlands Project. This project involves the review of all wetlands in town and the assessment of the comparative values between them. Then extra protection may be given to the most important wetlands in town. Anne Varney organized and initiated the program and Andy Onufer is now running it. Thirty volunteers have been trained in the process of assessing a wetlands value and over half of the wetlands in town have been completed. An additional training session is scheduled for the spring for anybody who is interested. Project completion is scheduled for next year.

Additional watershed protection have been accomplished by the passage of the comprehensive Shoreline Protection Ordinance and the funding of water quality tests for Great Pond from the Conservation Fund. The results of the Great Pond water tests will be used to develop a program that is eligible for Federal funds for water quality improvement.

The Conservation Commission has been involved in supporting the proposed maintenance dredge of Powwow Pond to improve the water quality of the Pond and save it from reverting to a meadow. Also all dredge and fill applications to the State Wetlands Board are reviewed by the Commission as well as major development projects such as the proposed Stresscon concrete plant. Solid waste is also reviewed as two members of Kingston's Solid Waste Task Force are Conservation Commission members.

A seedling sale was again sponsored by the Commission and the proceeds were deposited into the Conservation Fund. The 1991 ending balance was $1468.34 and the Forest Fund balance was $3192.69.

Respectfully submitted,

Russell Army, Chairman

KINGSTON MUNICIPAL BUDGET COMMITTEE
1991 ANNUAL REPORT

The Municipal Budget Committee is completing its sixth full year and continues to strengthen its formal liaisons with Town Departments and Committees to ensure an on-going planning partnership. The Committee has worked with the Board of Selectmen and Department/Committee Heads to understand and plan for the needs of the Town and establish the level of funding necessary to maintain the service level the Town requires. For 1992, our recommendations for the Annual Operating Budget reflect an effort to stabilize most of the Departments' and Commissions' budgets.

Unfortunately, the deepening of the economic slowdown continues to force the Town to reduce and/or control expenses even more than ever before. The Budget Committee's recommendations for 1992 were very difficult and time-consuming to prepare this year - our focus was on what was needed as opposed to what would be nice to have. To their credit, most Town Departments and Commissions recognized our fiscal crisis and limited their requests to serious, worthwhile projects. However, the Budget Committee was still forced to closely re-examine every Department's budget request in an effort to control the budget. Most of the Town Departments have agreed to cooperate with us to control expenses.

Next year, the Budget Committee will focus on working with the Town Boards and Commissions in an attempt to alleviate the long-term impact of the economy on the Town services and assets. In the past, the demand for Town services has exceeded the resources committed for so long that we have had to make significant expenditures to bring those services and appropriate Departmental budgets to a reasonable level of acceptability and quality. Now that the operational budgets have been stabilized, the Town must be careful to protect these past actions while continuing to address other major areas of improvement.

During 1992, we will lead an effort to update the Capital Improvement Plan, get it documented for public review, and get it approved. If completed in 1992, this Plan will provide a much needed blueprint for our long-term capital needs such as trucks and fire engines. We will also re-examine the budgets of the major Departments using a zero-based approach to ensure their needs and the Town's expectations are matched.

Your attendance at the 1992 Annual Town Meeting is needed to set these priorities as well as your tax rate.

Carroll E. Wright
Chair,
Municipal Budget Committee

300TH ANNIVERSARY COMMITTEE ANNUAL REPORT

It's been an exciting year for the 300th Anniversary Committee as we begin planning for the Celebration in 1994. It may seem strange to be working on a celebration that will take place three years from now, but we actually got a late start. But we've been making up for it.

We have established a tentative list of events for the Anniversary Week which will take place from July 30 to August 7, 1994. Most of the activities will take place on the two weekends and weeknight evenings, and — if we meet our fundraising goals, most events will be free to Kingston residents.

Highlighting the week will be a parade, family gala event, children's parade and activities, house tours, firemen's muster, antique car show, beard growing contest, an old fashioned band concert, fireworks, ecumenical services, a history day with period craft people, expanded museum exhibits and much more.

You've probably seen many of our fundraising activities - Have you bought your Kingston T-shirt yet? Souvenirs are selling well, and we're embarking on a major corporate fundraising campaign.

The logo contest and the 300th Anniversary Fundraising Weekend were very successful in building enthusiasm. The Weekend featured an antique car show, fun run, scavenger hunt, flea market, museum open house, walking tours, Encore Theatre performance and lots more.

A photo contest is underway - pull out your favorite Kingston photos and pick up an application at the Town Clerk's Office (otherwise known as "Bettie's Boutique" now that she is selling our souvenirs). And we're planning several major events for the spring and summer.

Many thanks go to all the people who have volunteered their time:

Maurice Aiken
Electra Alessio
William Bartlett
Charlotte Boutin, representing the Boy Scouts Pacs 90 & 93
Donald Briggs, representing the Kingston Police Department
Sheila Briggs, representing the Kingston BPW

James Rankin, Chairman Video Recording Committee
Larry Rich, Parade Chairman
Stephen Sousa, History Committee Chairman
Carroll Wright (recently resigned)

ANNUAL REPORT OF THE KINGSTON HISTORICAL MUSEUM

After ten or more years as chairpersons, Bill and Nancy Rent have stepped down and a new Chairperson, Art Reynolds, has been elected along with three new members, Carol Misenheimer, Bob Pothier, Jr. and Cindy Bakie (Alternate).

During the year, a group from Newton viewed our Museum with regards to establishing one of their own.

Items on loan from Brentwood and John Bakie were returned with thanks.

The Museum Committee voted to acquire a large collection of shoe tools, such as a cobbler's bench and many related item. This was done and a fine display has been established in the Museum. Some reorganization was accomplished at the same time.

The hearse and carriages have been placed on horses to eliminate weight strain on the wheels.

The Annual Flea Market was held in the fall and the proceeds were turned over to the Kingston Historical and Improvement Society for their use in repairing the Town clock and the Church On The Plains.

There are many fine items on display and some research is possible from Town Reports and other material, so it is hoped the Museum will be well attended.

Donations are always welcome.

If you desire any information or have any questions, please do not hesitate to contact me at 642-5278.

A. H. Reynolds
Chairman

KINGSTON HISTORIC DISTRICT COMMISSION

The KHDC has and will continue to do it's best to preserve the unique historic character of both Kingston's Town center and the Little River Road Historic Districts while acknowledging and permitting new construction that will be in harmony with the old.

This year, in keeping with this intent and to alleviate the past years controversy concerning the use of vinyl siding on homes in the Historic Districts, the Commission adopted the following:

"The Historic District Commission may waiver any portion of the regulations in such cases where in the opinion of the Commission strict conformity would pose an unnecessary hardship to the applicant and waiver would not be contrary to the spirit and intent of the regulations."

We hope this will provide an area for compromise in the prudent use of vinyl siding while continuing to maintain the historic architectural details that makes Kingston's Districts as beautiful as they are.

Respectfully submitted,
Phyllis Buckley, Chairman

TOWN WARRANT

and

TOWN BUDGET

THE STATE OF NEW HAMPSHIRE
1992 TOWN WARRANT

The Polls Will Be Open From 10:00 A.M. to 8:00 P.M.
ABSENTEE BALLOTS WILL BE PROCESSED AT 1:30 P.M.

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Kingston on Tuesday, March 10, 1992, at 10:00 AM, to act upon the following subjects:

1. To elect the following Town Officers: Moderator, One Selectman for a term of three years; One Selectman for a term of one year; Supervisor of the Checklist; Treasurer; Chief of Police; Two Police Officers; Constable; Two Trustees of Trust Funds; Three Library Trustees; One Fire Ward; Four Municipal Budget Committee Members for a term of three years; One Municipal Budget Committee Member for a term of two years; One Municipal Budget Committee Member for a term of one year.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

RECOMMENDED BY BUDGET COMMITTEE

3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and, to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

RECOMMENDED BY BUDGET COMMITTEE

4. To see if the Town will vote to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 5: To see if the Town will adopt Amendment No. 1 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows; To insert as the final sentence in Section d., Septic System Design Installation under the Aquifer Protection Ordinance on page 39: In the case where a failed septic system located on an existing non-conforming lot of record must be replaced within the Aquifer Protection District, the Kingston Health Inspector shall be responsible for final approval of the location of the installation of the replacement system.

The Planning Board approves this amendment.

Note: This amendment will shorten the time needed to replace failed septic systems.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 6: To see if the Town will adopt Amendment No. 2 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows: To add to Article VI, Section 6.17 Building Location and Construction: In the case of failed septic systems located on existing non-conforming lots of record, the Health Inspector will have the authority to approve the installation of replacement systems nearer than one hundred (100) feet to a water supply, well, stream, pond, marsh, swamp, wet meadow, wetlands or other body of water. In no instance shall such installation come closer to said water bodies than seventy-five (75) feet.

The Planning Board approves this amendment.

Note: This amendment will shorten the time needed to replace failed septic systems.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 7: To see if the Town will adopt Amendment No. 3 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows: To insert At Section D. Use Regulations as Paragraph 2 under Item 3 under the Shoreland Protection District on page 45: In the case where a failed septic system located on an existing non-conforming lot of record must be replaced within the Shoreland Protection District, the Kingston Health Inspector shall be responsible for final approval of the location of the installation of the replacement system.

The Planning Board approves this amendment.

Note: This amendment will shorten the time needed to replace failed septic systems.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 8: To see if the Town will adopt Amendment No. 4 as proposed

by the Planning Board for the Kingston Zoning Ordinance as follows; To update the Flood Plain Ordinance as mandated by the Federal Emergency Management Agency (FEMA).

The Planning Board approves this amendment.

Note: This amendment will allow Kingston to participate in the Federal Flood Insurance Program.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Revised 10/23/91

KINGSTON FLOODPLAIN DEVELOPMENT ORDINANCE

This ordinance, adopted pursuant to the authority of RSA 674:16, shall be known as the Town of Kingston Floodplain Development Ordinance. The regulations in this ordinance shall overlay and supplement the regulations in the Town of Kingston Zoning Ordinance, and shall be considered part of the Zoning Ordinance for purposes of administration and appeals under state law. If any provision of this ordinance differs or appears to conflict with any provision of the Zoning Ordinance or other ordinance or regulation, the provision imposing the greater restriction or more stringent standard shall be controlling.

The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the Town of Kingston, N.H." together with the associated Flood Insurance Rate Maps with an effective date of April 15, 1992, which are declared to be a part of this ordinance and are hereby incorporated by reference.

Item I Definition of Terms: The following definitions shall apply only to this Floodplain Development Ordinance, and shall not be affected by, the provisions of any other ordinance of the Town of Kingston.

"Area of Shallow Flooding" means a designated AO, AH, or VO zone on the Flood Insurance Rate Map (FIRM) with a one-percent or greater annual possibility of flooding to an average depth of one to three feet where a clearly defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet-flow.

"Area of Special Flood Hazard" is the land in the floodplain within the Town of Kingston subject to a one-percent or greater possibility of flooding in any given year. The area is designated as zone A on the FHBM and is designated on the FIRM as zones A and AE.

"Base Flood" means the flood having a one-percent possibility of

being equalled or exceeded in any given year.

"Basement" means any area of a building having its floor subgrade on all sides.

"Building" - see "structure".

"Breakaway wall" means a wall that is not part of the structural support of the building and is intended through its design and construction to collapse under specific lateral loading forces without causing damage to the elevated portion of the building or supporting foundation.

"Development" means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operation.

"FEMA" means the Federal Emergency Management Agency.

"Flood" or "Flooding" means a general and temporary condition of partial or complete inundation of normally dry land areas from:

(1) the overflow of inland or tidal waters.

(2) the unusual and rapid accumulation or runoff of surface waters from any source.

"Flood Elevation Study" means an examination, evaluation, and determination of flood hazards and if appropriate, corresponding water surface elevations, or an examination and determination of mudslide or flood - related erosion hazards.

"Flood Hazard Boundary Map" (FHBM) means an initial insurance map issued by FEMA that identifies, based on approximate analyses, areas of 100-year flood hazard within the community.

"Flood Insurance Rate Map" (FIRM) means an official map incorporated with this ordinance, on which FEMA has delineated both the special flood hazard areas and the risk premium zones applicable to the Town of Kingston.

"Flood Insurance Study" - see "Flood elevation study".

"Floodplain" or "Flood-prone area" means any land area susceptible to being inundated by water from any source (see definition of "Flooding").

"Flood proofing" means any combination of structural and non-structural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitation facilities, structures and their contents.

"Floodway" - see "Regulatory Floodway".

"Functionally dependent use" means a use which cannot perform its extended purpose unless it is located or carried out in close proximity to water. The term includes only docking and port facilities that are necessary for the loading/unloading of cargo or passengers, and ship building/repair facilities but does not include long-term storage or related manufacturing facilities.

"Highest adjacent grade" means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.

"Historic Structure" means any structure that is:

(a) Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;

(b) Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as registered historic district;

(c) Individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or

(d) Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:

1) By an approved state program as determined by the Secretary of the Interior, or

2) Directly by the Secretary of the Interior in states without approved programs.

"Lowest Floor" means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor; provided, that such an enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance.

"Manufactured Home" means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when connected to the required utilities. For floodplain management purposes the term "manufactured home" includes park trailers, travel trailers, and other similar vehicles placed on site for greater than 180 days.

"Mean sea level" means the National Geodetic Vertical Datum (NGVD) of 1929 or other datum, to which base flood elevations shown on a communities Flood Insurance Rate Map are referenced.-

"100-year flood" - see "base flood"

"Regulatory floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without increasing the water surface elevation. These areas are designated as floodways on the Flood Boundary and Floodway Map.

"Special flood hazard area" means an area having flood, mudslide, and/or flood-related erosion hazards, and shown on FHBM or FIRM as zone A, AO, A1-30, AE 99, AH, VO, V1-30, VE, V, M, or E. (See -"Area of Special Flood Hazard")

"Structure" means for floodplain management purposes, a walled and roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a manufactured home.

"Start of Construction" includes substantial improvements, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include the excavation for a basement: footings, piers, foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or part of the main structure.

"Substantial damage" means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

"Substantial Improvement" means any combination of repairs, reconstruction, alteration, or improvements to a structure in which the cumulative cost equals or exceeds fifty percent of the market value of the structure. The market value of the structure should equal: (1) the appraised value prior to the start of the initial repair or improvement, or (2) in the case of damage, the value of the structure prior to the damage occurring. For the purposes of this definition, "substantial improvement"

is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. This term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term does not, however, include any project for improvement of a structure required to comply with existing health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or any alteration of a "historic structure", provided that the alteration will not preclude the structure's continued designation as a "historic structure".

"Water surface elevation" means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929, (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains.

Item II.

All proposed development in any special flood hazard areas shall require a permit.

Item III.

The building inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is located in a special flood hazard area, all new construction or substantial improvements shall:

(i) be designed (or modified) and adequately anchored to prevent flotation, collapse, or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy,

(ii) be constructed with materials resistant to flood damage,

(iii) be constructed by methods and practices that minimize flood damages,

(iv) be constructed with electrical, heating, ventilation, plumbing, and air conditioning equipment, and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.

Item IV.

Where new or replacement water and sewer systems (including on-site systems) are proposed in a special flood hazard area, the applicant shall provide the Health Inspector with assurance that these systems will be designed to minimize or eliminate infiltration of flood waters into the

systems and discharges from the systems into flood waters, and on-site waste disposal systems will be located to avoid impairment to them or contamination from them during periods of flooding.

Item V.

For all new or substantially improved structures located in Zones A, A1-30, AE, AH or AO, the applicant shall furnish the following information to the building Inspector:

(a) the as-build elevation (in relation NGVD) of the lowest floor (including basement) and include whether or not such structures contain a basement.

(b) if the structure has been floodproofed, the as-build elevation (in relation to NGVD) to which the structure was floodproofed.

(c) any certification of floodproofing.

The Building Inspector shall maintain for public inspection, and shall furnish such information upon request.

Item VI.

The Building Inspector shall not grant a building permit until the applicant certifies that all necessary permits have been received from those governmental agencies from which approval is required by federal or state law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U. S. C. 1334.

Item VIII.

1. In riverine situations, prior to the alteration or relocation of a watercourse, the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector, in addition to the copies required by the RSA 483-A:1-b. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector, including notice of all scheduled hearings before the Wetlands Board. In addition, construction within wetland areas requires notification of the Kingston Conservation Commission and the Planning Board.

2. The applicant shall submit to the Building Inspector, certification provided by a registered professional engineer, assuring that the flood carrying capacity of an altered or relocated watercourse can and will be maintained.

3. The Building Inspector shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that all development located in Zone A meet the following floodway requirement:

"No encroachments, including fill, new construction, substantial improvements, and other development are allowed within the floodway that would result in any increase in flood levels within the community during the base flood discharge."

4. Along watercourses that have not had a Regulatory Floodway designated or determined by a Federal, State or other sources; no new construction, substantial improvements, or other development (including fill) shall be permitted within Zones A1-30 and AE on the FIRM, unless it is demonstrated by the applicant that the cumulative effect of the proposed development, when combined with all existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community.

Item VIII.

1. In special flood hazard areas, the Building Inspector in conjunction with the Kingston Town Engineer shall determine the 100 year flood elevation in the following order of precedence according to the data available:

a. In zones A and AE, refer to the elevation data provided in the community's Flood Insurance Study and accompanying FIRM and FHBM.

b. In unnumbered A zones the Building Inspector shall obtain, review, and reasonably utilize any 100 year flood elevation data available from any federal, state or other source including data submitted for development proposals submitted to the community (i.e. subdivisions, site approvals).

c. In zone AO the flood elevation is determined by adding the elevation of the highest adjacent grade to the depth number specified on the FIRM or if no depth number is specified on the FIRM at least 2 feet.

2. The Building Inspector's 100 year flood elevation determination will be used as criteria for requiring in zones A and AE that:

a. all new construction or substantial improvement of residential structures have the lowest floor (including basement) elevated to or above the 100 year flood elevation;

b. that all new construction or substantial improvements of non-residential structures have the lowest floor (including basement) elevated to or above the 100 year flood level; or together with attendant utility and sanitary facilities; shall:

(i) be floodproofed so that below the 100 year flood elevation the structure is watertight with walls substantially impermeable to the passage of water;

(ii) have structural components capable of resisting hydrostatic and hydrodynamic loads and the effects of buoyancy; and

(iii) be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the provisions of this section;

c. all manufactured homes to be placed or substantially improved within special flood hazard areas shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is at or above the base flood level and be securely anchored to resist flotation, collapse, or lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces;

d. for all new construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding are permitted provided they meet the following requirements: (1) the enclosed area is unfinished or flood resistant, usable solely for the parking of vehicles, building access or storage; (2) the area is not a basement; (3) shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria; A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverings or devices provided that they permit the automatic entry and exit of floodwater.

e. proposed structures to be located on slopes in special flood hazard areas, zones AH and AO shall include adequate drainage paths to guide flood waters around and away from the proposed structures.

Item IX Variances and Appeals:

1. Any order, requirement, decision or determination of the building inspector or health officer made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

2. If the applicant, upon appeal, requests a variance as authorized by RSA 674:33, I (b) the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(a) that the variance will not result in increased flood heights,

additional threats to public safety, or extraordinary public expense.

(b) that if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

(c) that the variance is the minimum necessary, considering the flood hazard, to afford relief.

3. The Zoning Board of Adjustment shall notify the applicant in writing that: (i) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as $25 for $100 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

4. The community shall (i) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

ARTICLE 9: To see if the Town will adopt Amendment No. 5 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows: To delete the Cotton Map and reference to the Master Plan Maps and to add the latest United States Geological Survey Map for the Merrimac River Basin under the Aquifer Protection Ordinance, DISTRICT BOUNDARIES. a. Location.

The Planning Board approves this amendment.

Note: This amendment will incorporate the latest mapping information which is much more accurate.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 10: To see if the Town will adopt Amendment No. 6 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows: To add three sentences to Article V., Section 5.12, Supplemental Lot Regulations: For purposes of this section, fences and septic systems are not considered structures. Septic systems shall not be located closer than twenty (20) feet to a property line. In the case of a failed septic system on an existing non-conforming lot of record, the Kingston Health Inspector may approve locations as close as ten (10) feet to a property line.

The Planning Board approves this amendment.

Note: This amendment will shorten the time needed to replace failed septic systems.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 11: To see if the Town will adopt Amendment No. 7 as proposed by Citizen's Petition for the Kingston Zoning Ordinance as follows: To change Tax Map R3-11, 12,13, and 2B and Tax Map R4-10, 16, 23 and portions of R4-17 from Rural Residential to Single Family Residential.

The Planning Board does not approve this amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 12: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1992 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 13: On petition of Jef Flanders-McDougall and fifty-six (56) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $10,000 to be added to the Nichols Memorial Library Capital Reserve Fund for future library expansion as created in the 1990 Town Meeting.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 14: On petition of Jef Flanders-McDougall and thirty three (33) other registered voters of the Town of Kingston, to see if the Town will authorize Trick-or-Treating on October 31 each year.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of $23,847 to be placed in the Landfill Closure Capital Reserve Fund.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 16: On petition of Neil R. Parker and twenty five (25) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate $2,471 to purchase a copier for the Police Department.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 17: On petition of Neil R. Parker and twenty five (25) other registered voters of the Town of Kingston, to see if the Town will vote to indemnify and save harmless for loss or damage occurring after said vote, any person employed by it and any member or officer of its

governing board, administrative staff or agencies, including, but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N. H.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 18: On petition of Neil R. Parker and twenty four (24) other registered voters of the Town of Kingston, to see if the Town would vote to authorize the Selectmen to accept the property known as Map #R21-1 if such property becomes available through the State of New Hampshire. This property is located across from the boat landing and is the present location of the State Highway Garage.

ARTICLE 19: On petition of Neil R. Parker and twenty four (24) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of five thousand dollars ($5,000) to fund the D.A.R.E. program for 1992.

BUDGET COMMITTEE RECOMMENDS $3,000

ARTICLE 20: On petition of Neil R. Parker and twenty five (25) other registered voters of the Town of Kingston, to see if the Town will vote to authorize the Selectmen to set aside Tax Map R21-33A for the future sight for a police safety complex. This is town owned land at the end of property by the Highway Department.

ARTICLE 21: On petition of the Kingston Fire Wards and twenty eight (28) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of $2,596.00, to be placed into the Capital Reserve Fund for future replacement of the Ambulance. This amount represents the total amount of fees collected in 1991.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 22: On petition of the Kingston Fire Wards and twenty eight (28) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of $40,000.00 to be placed in the Fire Department Capital Reserve Fund for Apparatus Replacement.

BUDGET COMMITTEE RECOMMENDS $30,000

ARTICLE 23: On petition of the Kingston Fire Wards and twenty seven (27) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of $150,000.00 to purchase a new Fire Truck to replace our existing 1973 Ford Engine #3 and to authorize the withdrawal of $150,000.00 from the Capital Reserve Fire Department Apparatus Fund, created for that purpose. Any unspent balance to be returned to the Capital Reserve Fire Department Apparatus Fund.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 24: On petition of the Kingston Fire Wards and twenty eight (28) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of $5,000.00 to be placed into the Capital Reserve Account for future replacement of the Ambulance.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 25: On petition of Richard Gerrish and seventy eight (78) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $850.00 to assist Cross Roads House, Inc., a non-profit organization, in providing emergency shelter and transitional housing services to the area's homeless population.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 26: On petition of the Kingston Solid Waste Task Force and thirty six (36) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $15,000.00 to fund the continuation of the Kingston Volunteer Recycling Program.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 27: On petition of the Kingston Solid Waste Task Force and thirty two (32) other registered voters of the Town of Kingston, to see it the Town will vote to raise and appropriate the sum of $25,000.00 to sponsor a limited regional Household Hazardous Waste Collection Day. Said cost to be reduced by participating towns reimbursing Kingston on a per capita basis and any grants that may be available for such a program.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 28: On petition of Russell V. Army and twenty seven (27) other registered voters of the Town of Kingston, to see if the town will vote to raise and appropriate the sum of $10,000.00 to be added to the Capital Reserve fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 29: On petition of Russell V. Army and twenty seven (27) other registered voters of the Town of Kingston, to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCC RSA 36-A:5 for the purposes of acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds may be expended by the majority vote of the Kingston Conservation Commission and the Selectmen.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 30: On petition of Richard D. St. Hilaire and twenty eight (28) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $76,000.00 to be used to replace both bridges on Little River Road.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 31: On petition of Richard D. St. Hilaire and twenty eight (28) other registered voters of the Town of Kingston, to see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing Highway trucks and equipment and to raise and appropriate the sum of $30,000 to be placed in this fund, and to designate the Board of Selectmen and Road Agent as agents to expend.

BUDGET COMMITTEE RECOMMENDS $15,000

ARTICLE 32: On petition of thirty (30) registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $700.00 to help defray the cost of services provided to the Town of Kingston and its residents for fiscal year 1992-1993 by the Retired Senior Volunteer Program (RSVP).

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 33: To see if the Town will vote to amend the Cemetery By-Laws by establishing new prices for the sale of cemetery plots, by changing the first paragraph of Section B.; so that the new section would read as follows:

B. Cemetery plots: Sales, etc. - Minimum plot size is 8½' X 10' and sells for $200.00, including perpetual care and which provides for two graves. Next size plot is 10' X 10' and sells for $300.00, including perpetual care and which provides for three graves. Next size plot is 10' x 20' and sells for $600.00, including perpetual care and which provides

for six graves. Larger plots can be obtained by joining 10' X 28' lots.

Note: The 8½' X 10' is a new lot size. Formerly the price was $150.00 for 10' X 10' lot, and $250.00 for 10' X 28' lot. There will be no change in the second paragraph of Section B.

ARTICLE 34: To see if the Town will vote to authorize the Selectmen to put approximately 8 acres of land, acquired by tax collector's deed and currently owned by the Town, located in the "Woodman Swamp" next to the Bakie Farm on Route 107A, being parcels 9, 17, 18, 28, 30, 32, 33,34, 35, 36, 41, 42, 43 and 44 on Tax Map R27., under permanent conservation easement for the purpose of preserving the natural state of the land for posterity.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 35: To see if the Town will vote to authorize the Selectmen to deed the ownership interest of the land referred to in Article 34 above, burdened by the permanent conservation easement, for One Dollar ($1.00), to John Bakie, for the purpose of putting ownership of the entire original Bakie Farm land back to the Bakie family, in consideration of their donations of permanent conservation easements over certain other lands.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 36: To see if the Town will vote to authorize the Selectmen to deed back to the previous owner, real estate located off North Danville Road (Tax Map R32, Parcel 1) which the Town acquired by Tax Collector's deed, upon payment to the Town of an amount equal to the sum of unpaid taxes on that real estate and interest thereon at the statutory rates for unpaid taxes; and all costs of the Town relating to the unpaid taxes and deeding of this real estate.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 37: To see if the Town will vote to change the name of Country Pond Road South to "Reinfuss Lane".

ARTICLE 38: Resolution: The Solid Waste Task Force and twenty five (25) registered voters of the Town of Kingston actively endorse the continuation of recycling and further expansion of recycling as environmentally responsible and necessary to safeguard the future of the Town of Kingston.

ARTICLE 39: To see if the Town will vote to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 40: To see if the Town will vote to authorize the Board of Selectmen to sell tax deeded property at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 41: To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and ninety two.

* *Enter in these columns the numbers which were revised and approved by DRA and which appear on the current tax rate papers.*

HELP! We ask your assistance in the following: If you have a line item of appropriation which is made up of appropriations from more than one (1) warrant article, please use the space below to identify the make-up of the line total. We hope this will expedite the tax rate process by reducing the number of inquiries from this office.

PATAC ANNUAL REPORT

PATAC (Plaistow Area Transit Advisory Committee) made progress during 1991 in its efforts to bring commuter service to the Plaistow area and we want to thank the officers and members of the multi-town organization for their help, their many hours of work and their cooperation and enthusiasm.

One of the more significant areas addressed was the expansion in the organization's goals and objectives to include cooperation with state and interstate groups and to address the coming changes in the Portsmouth area. Aiso reflecting those changes, your chairman was appointed to, and elected co-chairman of, the state-wide task force on alternative transportation under RSA 191.

Late in 1991, we saw, for the first time, a proposed layover/station/park and ride lot, submitted by the Massachusetts Bay Transit Authority, which has verbally agreed that, if we can provide a lay-over facility, we will have rail service in Plaistow. At the present time, PATAC is attempting to obtain the cooperation of landowners which would be affected by such a project.

One very positive step realized in 1991 was the institution of commuter bus service by The Coach Company, which currently runs two round-trips daily into Boston, with stops at five Hub locations. An express run is also contemplated by The Coach Company if interest warrants it.

Several areas of concern will be solved if PATAC is successful in getting additional commuter service to the area: we will go a long way in relieving traffic congestion; we will address federal concerns voiced in the 1990 Federal Clean Air Act; and we will also address the issue of mass transit as included in the Federal Intermodal Surface Transportation Efficiency Act of 1991.

We will continue to work towards our goals and we want to thank the voters and residents of our towns in our work and ask for your continued support.

Respectfully submitted,
Merilyn P. Senter,
PATAC chairman and State Representative,
Rock. Dist. 9

REPORT OF THE ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit corporation, Our mission is to serve the multitude of needs of Rockingham County's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty and seeking to eradicate the root causes of poverty. RCCAP has been addressing these needs for more than twenty-five years.

The Greater Raymond Community Action Center is an outreach office of RCCAP which serves residents of Kingston and 14 other communities, and as such acts as Kingston's central resource for information regarding all available human services. RCCAP also offers intake, clinic and distribution sites in over half of the county's thirty-seven communities for the application and provision of various Community Action services.

Community Action provides a wide range of services which are unduplicated elsewhere in the county. Most of these services meet immediate, critical needs and all have a direct and positive impact on people's lives. The following services were provided by Community Action to eligible residents of Kingston from July 1, 1990 through June 30, 1991:

96 households received Fuel Assistance, a program that provided a financial grant of up to $450 to assist with energy-related expenses.

21 households received Supplemental Fuel Assistance, a program that provided payment of up to $150 for energy related expenses to recipients of the 1989/90 Fuel Assistance Program who were experiencing severe hardship.

6 homes were weatherized through the Weatherization Program, a program that provides high quality energy conservation materials and skilled labor to weatherize homes in order to reduce heating costs and conserve energy.

15 children and day care providers participated in the Family Day Care Program, a program that provides training and technical assistance to day care providers and sponsors the Child and Adult Care Food Program.

17 child care referrals were arranged through the Child Care Resource and Referral Program, a program that compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality child care by recruiting, training and assisting new providers.

62 women, infants and children received help through the WIC Program, a program that offers supplemental nutritious foods, nutrition education, breastfeeding support and health care referrals to pregnant women, nursing mothers, infants and children up to the age of five.

311 food packages were provided through the Surplus Food Program, a program that distributes USDA surplus food to eligible households

through mass distributions held four times each year.

1 emergency food package was provided through the Emergency Food Pantry, a program that provides a temporary emergency supply of non-perishable food to households facing severe economic hardship,

2 households received Crisis Assistance, a program that provided a one-time financial grant for the payment of rent, mortgage, electricity or fuel for those in emergency situations.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we logged 129 calls or visits from Kingston residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

The services provided by our staff, together with the programs provided by our agency, have a direct and significant effect on Kingston's welfare budget. If our services were decreased, the town would experience a resulting increase in requests for local welfare assistance.

Since the services we provide greatly relieve the towns we serve of the full financial burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 4.5% of the total dollar value of services we provided during the previous fiscal year, which means that we request $4.50 for every $100.00 we provided in direct -services.

From July 1, 1990 through June 30, 1991, Community Action provided $109,321 in services to Kingston residents. We are therefore requesting the town of Kingston to contribute 4.5% of this amount, or $4,919. The town of Kingston has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Amy Mueller-Campbell
Director
Greater Raymond Community Action Center

1991 REPORT OF TOWN CLERK - TAX COLLECTOR

In 1991 there was another decrease of $19,862. in Motor Vehicle revenue, compared to a decrease of $22,082. in 1990; an increase of $13,743. in 1989, and an increase of $26,955. in 1988. The total vehicles registered in 1991 (6574) shows an increase of 67 from 1990, but the vehicles being purchased are of a lower value. There's no need to explain about the poor economy.

The following Vital Statistics were recorded: 55 Births; 49 Marriages and 25 Deaths, indicating an increase of 17 Births; a decrease of 14 Marriages; and a decrease of 8 Deaths.

The Boat Tax Revenue decreased by $771.48. The preprinted forms are mailed to all Boat owners, and these may be validated in Concord or at our office. if you come to Kingston, the revenue stays here rather than going to Concord, for the tax portion.

More dogs were licensed in 1991 - 886 plus 13 groups, compared to 774 and 10 groups in 1990; and 580 and 10 groups in 1989. The total receipts increased by $417.50, while the dog fines collected for unlicensed dogs for 1991 were a total of $1,589.50. In 1992, the Animal Control Officer, Robert Hayes, will be looking for those dogs that have never been licensed. A large rabies epidemic is expected in the area. I wish to thank Mr. Hayes for his superior efforts in getting all the dogs licensed. All dogs must be licensed annually by April 30, with a $1.00 per month penalty added after May 31st. Males and Females are $7.00; Neutered Males and Spayed Females are $4.50.

There were 288 Voter Registrations accepted during the year, as well as 22 Party changes and 6 name changes. We work closely with the Supervisors of the Check List, and in 1991, a total of 408 names were purged from the list. This process is done every ten years, by State Law. Best wishes to Lawrence Cheney, who retired at the end of the year. You will be greatly missed. In 1991, there were two elections: Town Meeting March 12th, and a Special Town Meeting June 18th. Voting takes place upstairs in the Town Hall, and the polls are open from 10 A.M. to 8 P.M. (new closing time) Absentee ballots are available for anyone who is physically unable to come to vote, as well as those who are on vacation, working out of town, etc. Call for information.

In 1992, there will be four elections: Presidential Primary Feb. 18th, Town Meeting Mar. 10th; State Primary Sept. 8th; and General Election Nov. 3rd.

Since Jan. 1, 1990, only the Motor Vehicle Dept. can issue 20 day temporary plates. Our office can still service everyone by issuing renewal decals, new plates (up to 8000#), and transfers. The citizens continue to be appreciative of this service, which we do as an agent for the State of N. H.

I have continued to keep the census figures daily and as of December 31, 1991, the population was 6309 (an increase of 153 since last year). In order to keep this census on a current basis, I made a total of 1505 entries.

The Property Tax Warrant of $5,508,554.28 shows a large DECREASE of $449,990. Everyone was pleased to finally see a drop in the tax rate. As of Dec. 31st, 84.9% was collected (compared to 84.1% last year) leaving a balance due of $831,388.31. The decrease in the balance due is due to the smaller amount in the original warrant. Partial payments are accepted at any time. Also, prepayments for the new year are accepted after April 1st of that year. Thanks to everyone for making the tax payments promptly, as this is a big help to the operation of the Town.

This year the 12% interest started on Dec. 19th, and will continue until the taxes go into the Lien Process. The interest then moves to 18% per annum, and the owner has two years to redeem the taxes. I am very sorry to see numerous foreclosures and I sincerely hope for a better economical picture in 1992.

We were unable to get the 1991 tax rate early because of the Special School Meeting on Oct. 16th. Once the rate was set by Concord, and it was officially received by my office, the tax bills were processed and in the mail in four days, (on November 15th), and they were dated Nov. 18th. The 1½% discount was in effect for the regular 30 day period.

My thanks and appreciation to all Elected officials, Town employees and all Committee members, especially the following: Ann Sullivan for her splendid cooperation on all the tax work; Treasurer Olive Moriarty for her efficiency and coop-eration; Moderator Ellie Alessio as well as all ballot clerks and assistants who help me at all elections; Police Chief Neil R. Parker and his Dept. for their many services; Building Superintendent Alan Krauss for his excellent services; Jim Rankin, Don Eadie and Maria Haydock for their continued professional advice and encouragement on the computer. Thanks to the Selectmen for their support.

Again, I want to thank the Deputy, Holly Ouellette, for her continued total dedication to the Town. Her expertise with the computer system and all the many other office talents are deeply appreciated by everyone. Also, thanks to Eleanor Childs for all her very able assistance in all phases of the "hundreds" of duties.

As Vice-Chairman of the 300th Anniversary Committee, I have been pleased to serve as Souvenir Chairman. Much interest has already been generated for this celebration, and we have made MANY sales of souvenirs. Contact me for further information, or if you wish to volunteer on some committee for 1994.

In March, I will be completing 32 years as Tax Collector and 22 years as Town Clerk. The combined office of Town Clerk - Tax Collector has now been in effect for four years. It has proven to be an efficient combination. I am a Notary Public and Justice of the Peace, serving all departments.

Thanks to ALL residents for their continued support and cooperation. I am now able to get various messages to you on the Cable Channel 51.

Respectfully submitted,
Bettie C. Ouellette

TRUSTEES OF TRUST FUNDS
ANNUAL REPORT - 1991

There were no changes in the membership of the Board for 1991.

George W. Leate was reelected for a 3 year term.

Seventeen new perpetual care trust funds were established in 1991, including perpetual care on lots purchased in past years. There were no new special trust funds, but school scholarship funds were increased by the addition of unused income as in last years. Earnings of special trust funds were disbursed in December.

George Leate and George Lothian completed repairs to old stones in Plains Cemetery.

New signs were placed at Pine Grove, Greenwood and Plains Cemeteries, stating that floral arrangements may be placed by the headstone only.

Maintenance work was performed at the cemeteries by George Leate, George Lothian and David Peterson.

Mary V. Kanaly	Term ends 1992
Walter S. Clark	Term ends 1993
Phyllis C. Ellis	Term ends 1993
Georxe W. Leate	Term ends 1994
